LB 210

based on the nature of the program, the way it is funded, the pay ins and so forth. We had considerable discussion Friday or Thursday on the bill but a large number of senators had left. So the purpose for holding it over is to allow some of those who wanted to speak but did not have the opportunity to do so to express whatever opinions they may have, to give me the opportunity to answer any questions that may be lingering and then to obtain enough votes to advance the bill. If you have any questions I am prepared to answer them.

SPEAKER NICHOL: Any further discussion on the bill? The question is, shall LB 210 advance. All those in favor vote aye, opposed nay. Two are excused. We are voting on the advancement of LB 210. Senator Chambers.
